

Battery Monitor Document List

1. Circuit schematic
2. Parts list
3. Assembly instruction
4. PCB top component layout
5. PCB bottom component layout
6. Quick reference card
7. User manual
8. Software program file
9. Software program file in .bas format
10. Circuit description
11. Software description
12. PICAXE Programming Cable for BatteryMonitor
13. Three Pin Header Label
